Hi Simon,

Trade date was 07-08-2014 & Settlement date was 12-08-2014.

We purchased 2,000,000 shs from CSFB which settled into account 636 and were then due to deliver 2,000,000 shs to EDF Man Capital (at our agent SEB) but the 2,000,000 shs were incorrectly delivered to another of your clients. The delivery therefore failed until 13-08-2014 and as there is no automatic dividend compensation for the Danish market we are now short the dividend.

Please let me know if you need any more info.

Thanks,

Michael Meade

Hi All,

We are claiming the below dividend due to a cum dividend trade failing over the dividend record date. Please see event details below:
